## ABOUT US

Lasheen Group is a family owned company that was first established in 1975 by its Chairman Eng. Mohamed Mahmoud Lasheen, with a vision to be one of the leading plastic manufacturers in Egypt and the Middle East. Lasheen Group today and for the past years have succeeded in penetrating many foreign markets and became one of the top and most respected plastic manufacturers in the region. This was all achieved by its efficient management system and its highly organized hierarchy and staff.
